NEW MEMBER dues are comprised of: Last year's fees (\$3.40 or \$3.20 for De-Designated) + Current Year fees (dependent on below designation) + a \$30 admin fee

**An invoice will be provided to the address listed above, after membership application has been received and processed.*

Designation	Rate	Description
Priority 1	\$3.41	Groundwater basins\subbasins that have been prioritized as having the most serious ambient water quality concerns for nitrates. Parcels within the Kings and Kaweah subbasins are classified as Priority 1.
Priority 2	\$3.64	Groundwater basins\subbasins that have been prioritized as having the next most serious ambient water quality concerns for nitrates, after Priority 1 areas. Parcels within the Tulare Lake subbasin are classified as Priority 2.
Not Prioritized\None	\$3.14	Groundwater basins\subbasins not prioritized within the Priority 1 or 2 tiers as determined by the ambient nitrate water quality data analysis. Implementation of the Nitrate Control Program in these areas will occur as directed by the Central Valley Water Board's Executive Officer.

The Coalition has been formed to represent landowners and operators irrigating agricultural lands (Members) under the General Order.

The undersigned hereby elects to become a Member of the Coalition and acknowledges that Membership dues are charged to cover the costs of meeting the requirements of the General Order. The undersigned acknowledges that it is his/her responsibility to know and understand the terms and conditions pertaining to Members contained in the General Order, and that failure to comply with such terms and conditions may subject the Member to removal from the Coalition and/or enforcement action by the Regional Board.

Termination of membership in the Coalition will also be granted 10 days after Coalition receipt of a written notice of membership termination. Upon termination, the landowner/operator will be required to seek alternative coverage under the Irrigated Lands Regulatory Program.
