Irrigated Acreage fees are assessed by groundwater basin/subbasin priority designation for existing ambient nitrate concentrations in the upper portion of the groundwater system. Parcel designations will be assigned by KRWQC staff to determine Total Membership Dues.

NEW MEMBER dues are comprised of: Last year's fees + Current Year fees
(Dependent on below designation) + a \$30 admin fee

**An invoice will be provided to the address listed above, after membership application has been received and processed.*

Designation	Rate	Description
Priority 1	\$4.93	Groundwater basins\subbasins that have been prioritized as having the most serious ambient water quality concerns for nitrates. Parcels within the Kings and Kaweah subbasins are classified as Priority 1.
Priority 2	\$2.91	Groundwater basins\subbasins that have been prioritized as having the next most serious ambient water quality concerns for nitrates, after Priority 1 areas. Parcels within the Tulare Lake and Madera subbasins are classified as Priority 2.
Not Prioritized\None	\$3.44	Groundwater basins\subbasins not prioritized within the Priority 1 or 2 tiers as determined by the ambient nitrate water quality data analysis. Implementation of the Nitrate Control Program in these areas will occur as directed by the Central Valley Water Board's Executive Officer.
De-Designated	\$3.39	Parcels within the Tulare Lakebed that have been de-designated for Municipal and Domestic Supply (MUN) and Agricultural Supply (AGR) beneficial use designations.

The Kings River Water Quality Coalition (Coalition) has been approved by the Central Valley Regional Water Quality Control Board (Regional Board) to serve as a Third Party for administering the terms and conditions of the Irrigated Lands Regulatory Program, as described in the Tulare Lake Basin Waste Discharge Requirements General Order No. R5-2013-120 (the "General Order"). The Coalition has been formed to represent landowners and operators irrigating agricultural lands (Members) under the General Order.

The undersigned hereby elects to become a Member of the Coalition and acknowledges that Membership dues are charged to cover the costs of meeting the requirements of the General Order. The undersigned acknowledges that it is his/her responsibility to know and understand the terms and conditions pertaining to Members contained in the General Order, and that failure to comply with such terms and conditions may subject the Member to removal from the Coalition and/or enforcement action by the Regional Board.

Termination of membership in the Coalition will also be granted 10 days after Coalition receipt of a written notice of membership termination. Upon termination, the landowner/operator will be required to seek alternative coverage under the Irrigated Lands Regulatory Program.

Who is an Operator? Responsible for or otherwise directing farming operations in decisions that may result in a discharge of waste to surface water or groundwater (Includes lessees, tenant farmers, operating entities, and relatives or other individuals farming on behalf of the owner. If listed, the Operator will be contacted to access the property should the need arise.)

What is a Delegate?

A DELEGATE is a person delegated the responsibility of turning in surveys for a member. Each member can have ONE delegate per survey type.

****Irrigated Acreage – Acreage that is irrigated and used for commercial purposes**

Do not include acreage that is covered under a different Regional Board regulatory program (e.g. Dairy General Order). When calculating and reporting irrigated acreage, you may exclude non-irrigated portions of your total parcel acreage. Non-irrigated portions typically included farm roads, county easements, ponds, streams, residential areas, or shop areas.
